

9th International PTR-MS Conference 2024

University of Innsbruck, Seefeld in Tirol - Austria

Save the date!

Dear colleagues,

after the Covid-19 pandemic we are now happy to announce the

**9th International PTR-MS Conference (Seefeld in Tirol, Austria) and
Hands-On PTR-MS 2024 (Innsbruck, Tirol, Austria)
between 25th January and 2nd February 2024**

To reflect the expanding number of disciplines, which are incorporating PTR-MS as a research tool and as a monitoring tool for industrial processes, we will have presentations on many different and interesting subjects.

Save the date and take the chance to meet and interact with the PTR-MS community in person. The exact date, as well as the preliminary program and more details will be announced soon.

The [official website](#) for the International PTR-MS Conference where you can register will open soon.

We are looking forward to an exciting and productive meeting in Seefeld near Innsbruck in Austria in January 2024!

Yours sincerely,

Armin Hansel

Chair of the local organising committee.
